

REPAIR CAFE

Hambledon and Denmead

**We are aiming to setup repair cafés
once a month in each location**

What is a repair café?

Have a household item that's broken? Don't throw it away. Take it to a Repair Café where you can get help fixing it ... and enjoy a cuppa! You can get help fixing most items from children's toys to bicycles. All welcome, and the work is free of charge! However, donations are welcome to keep the benefits growing.

We are looking for fixers

What is a fixer?

A volunteer who is skilled at repairing household items. We fix everything from appliances to electronics to clothing to bikes. Hobbyists, retirees and professionals are all needed and all welcome.

**For more information or to join the team of fixers,
please contact:**

For Hambledon: Sue Crossley (suepcrossley@gmail.com)

For Denmead: Peter Salsbury (woodsmith248@gmail.com)

“Fixing the planet – One repair at a time”
